

What people are saying about CFT!

We have found Lori's program so beneficial that we travel from Wilbraham MA every Saturday (45 minutes) so our daughter can be a part of something so special.

~Jennifer Boudreau, parent~

"CFT draws the most talented kids within a one hour drive from Hartford, and, from what I have seen, it is the best children's theatre between NY and Boston."

Wow! Happened to be in West Hartford for the night (visiting from Boston) so I brought my five year old son to see Annie...We are so impressed by the amazing performance we saw this evening! We hope to end up in the area more often to see more shows!!!
